CIVIL HOSPITAL, KOLAR.

Notification dated 10th November 1910

Notice is hereby given that sealed tenders will be received at the above Hospital up to Saturday the 17th December 1910, by the District Medical Officer, for the supply by contract of all articles of diet, etc., as per annexed list, required for the use of the above Hospital, from 1st January 1911 to 31st December 1911.

2. No tender will be received after 10 A.M. on the 17th December 1910.

3. Tenders to be superscribed "Tenders for the supply of provisions for the Civil Hospital and Dispensary, Kolar." The form of the tender is given below.

4. No tenders will be received unless accompanied by a deposit of Rs. 50 in cash, currency notes or Government bonds.

5. Tenders will be opened by the District Medical Officer at the Civil Hospital, Kolar, on the date and hour above noted in the presence of such tenderers as may choose to attend at 10 A.M. Forms of tenders may be obtained from the Civil Hospital.

6. All tenders must specify the rates at which the articles can be supplied in pound weight or in ounce per rupee as the case may be. Milk and similar articles in fluid ounce, gallons or imperial pints per rupee, in columns 1, 2, 3, 4 and 5 of the prescribed form of tender.

7. The quantities stated in the annexed list are not guaranteed.

8. The District Medical Officer reserves to himself the right of rejecting any tender without assigning any reason for so doing.

9. The deposit of the successful competitor will be retained and will be forfeited if he fails to execute the contract bond or to furnish security to the amount of Rs. 200 in cash or Government bond within three days from the date of acceptance of the contract being made known to him. The form of contract bond will be supplied by the District Medical Officer.

10. No advance of cash will be made to the contractor. Payment for the articles supplied will be made by the District Medical and Sanitary Officer as soon as possible, before the 31st or close of each month on producing the necessary accounts and vouchers, with a bill in English or Kanarese for the cost of all articles correctly calculated. Persons who are unable to do this need not compete.

11. A store-room will be made over to the contractor, in which he can keep all non-perishable articles, of which not less than one month's supply must be always in store. Perishable articles such as vegetables, meat, tyre, etc., must be at the Civil Hospital, by 8 A.M., daily. All articles except those mentioned otherwise should be of the first sort, and any article of diet rejected should be replaced within an hour. The contingent articles, such as bazaar medicines, etc., ordered should be supplied within two hours after receipt of order. Good cow's milk has to be supplied for the use of patients whenever required, milking a fresh if practicable.

12. The contract should not be sublet. The contractor should, invariably, remain in the Hospital between 8 and 10 A.M. and between 3-30 to 5-30 P.M. and be ready for any emergent calls at any hour of the day. He must arrange to see all articles required, during his absence, supplied through his servant without delay.

13. A fine not exceeding Rs. 10 will be levied at the discretion of the District Medical Officer, in charge of the Institution for every infringement of the stipulation of the contract or for the supply of any inferior articles; and if the stipulation of the contract be frequently violated, the contract will be annulled and the security confiscated to Government.

14. The decision of the District Medical Officer to be final in all questions of infringements of contract.

15. The sale at the contractor's room of any article to the outside public or to any servants within the Hospital, is strictly prohibited.

16. The contract will be subject to the confirmation of the Senior Surgeon, Mysore Government, who reserves to himself the right of rejecting all or any of the tenders.

17. In case the contractor, after taking the contract, is not willing to carry out his agreement, he shall give at least a month's notice or shall forfeit the security money to Government.

18. European diet scale is omitted as there has not been any demand during the past three years or so; they will have to be substituted for native diets, if required, and that rarely. Baked bread to be substituted for soji or rice, or both, if any patient desires it.
